DRIVERS & PREVENTERS AUDIT

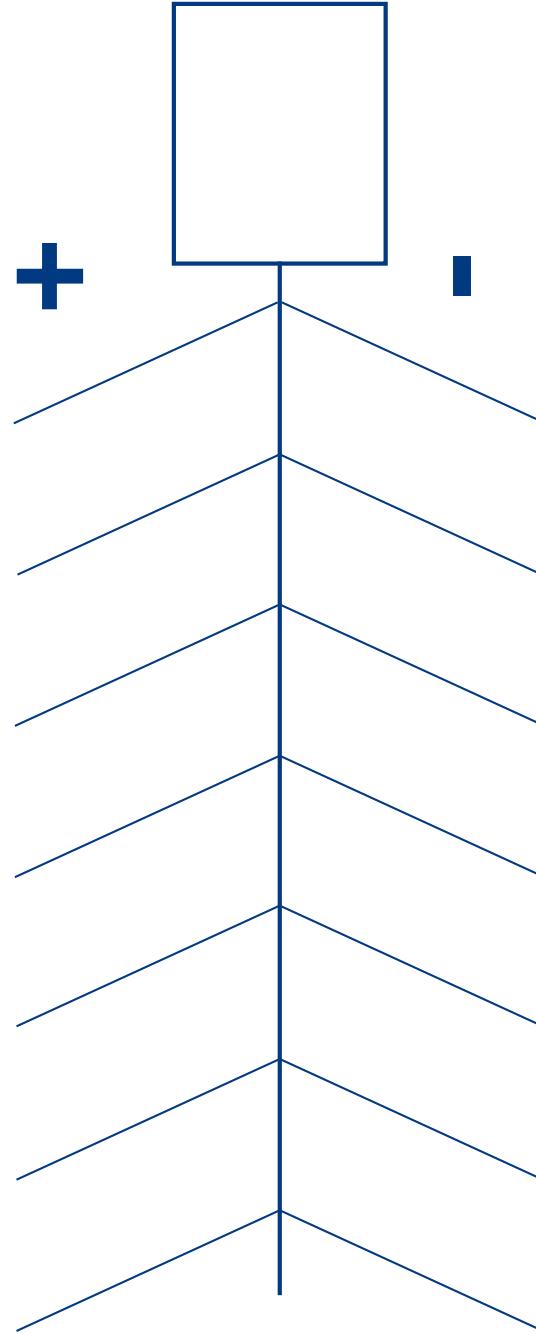

DRIVERS & PREVENTERS FISHBONE AUDIT

EXCELLENCE
WITH INTEGRITY **TOOLS**[®]

Step 1: Brainstorm using the focus prompt, filling in each "fishbone" with one contributing factor.
Brainstorm until no new ideas can be generated. (Add extra "fishbones" as needed).

List below habits, practices, or assets that **drive**, or contribute to...

List above habits, practices, or assets that **prevent**, or detract from...

Step 2: Circle three of the most important drivers and three of the most important preventers.

Step 3: Discuss strategies to positively influence each of these factors.

DRIVERS & PREVENTERS AUDIT

Step 1. Brainstorm and list habits, practices, or assets that:

👉 **DRIVE**, or contribute to

👎 **PREVENT**, or detract from

Step 2. **PRIORITIZE**: identify three most important drivers and three most important preventers listed above; discuss strategies to reduce the negative impact of preventers and enhance the effect of drivers.
